

GOOD and WELFARE

Glenn Lloyd, Retired Food and Beverage Association Member, Community Volunteer

A 30-YEAR MEMBER of our Association shows how our industry professionals are among the most civic minded. Glenn does voluntary work full-time at the Sunnyside Community Services Center in Queens, New York.

As part of the Inter-Generational Program, Glenn assists children from 3 to 8 years old do their homework every weekday. The children all refer to Glenn as "Uncle Lloyd." The kids are all ears when Uncle Lloyd talks to them about the flag, explaining its history and flag-related facts. Even though he focuses his involvement on education, he also knows how to have fun when he plays Santa Claus each Christmas for the organization.

Glenn doesn't stop there at the Community Center. Every evening between 7 and 9 p.m. he visits with the elderly at the Center discussing the day's current events, happenings in the world, neighborhood, and families. He helps communicate with the attendants who care for the seniors and overall is a great morale booster.

After a long hospitality industry career, working in such establishments as the Waldorf=Astoria and the Pierre Hotel, Glenn Lloyd is an Association member we are proud of for his volunteer spirit and commitment to communi-

Retired member Glenn Lloyd helps a senior at the Sunnyside Community Services Center thread a needle (left) and assists a young student with his homework (below).

Type O-Negative Blood Needed for Kevin Zraly's 12-Year-Old Daughter

OUR COLLEAGUE and previous Association Hospitality Professional of the Year Kevin Zraly is in need of our help for his 12-year-old daughter, who has been diagnosed with leukemia. Any Association member or someone you know who has type O-negative blood is requested to donate blood in lieu of cards or flowers at Sloan Kettering Memorial Hospital, 1250 First Avenue, between 67th and 68th Streets, NYC.

Speedy Recovery Wishes to Ann Belok

AFTER a convalescence of two months in the hospital, member Ann Belok is continuing her recovery. The members of the Food and Beverage Association send her get-well wishes.

We Make a Difference!
