Dear Gladys,

Once again, I extend my gratitude for the support and partnership of The Food and Beverage Association over the years and, most recently, for your generous contribution towards a new state-of-the-art kitchen at our Dunlevy Milbank Center in Harlem.

As a longstanding and important partner in our work, I want to convey to you and everyone at The Food and Beverage Association the huge impact your generosity has had on our work at the Dunlevy Milbank Center. For years, the Food and Beverage Association has supported Dunlevy Milbank by providing its children, their families and the community with annual Turkey Dinners, and last year, contributed \$50,000 towards a new kitchen at the Center. This new kitchen provides not only a great space for our children to learn about healthy foods; it also gives our youth the tools to make healthier decisions to escape the pitfalls of poverty.

I know that Wayne Dawson, our Director at Milbank, has been keeping you abreast of the progress and success of the new kitchen. In addition to the oral reports that Wayne has been providing, I am enclosing a formal report for your records.

On behalf of Children's Aid, thank you for being a champion for our city's most vulnerable children, and for being a part of Dunlevy Milbank's history in the making.

Sincerely,

C. Warren Moses
